THE FAMILY NET CENTER: WHERE TECHNOLOGY MAKES CHANGE!

KENYA

LIVE!!!

AN ONLINE VILLAGE MEETING

**Saturday,
October 1, 2011
12:00 pm – 2:00 pm**

Participate in a “live video discussion” about the drought in Kenya, Nairobi. This distant learning project demonstrates how technology can make change by:

- Learning firsthand about the worst famine Kenya has experienced in 60 years
- Participating in a “live video chat” with someone from Kenya
- Determining how we can help

**The Family Net Center
Kennedy King College
747 West 63d Street
(63rd & Halsted)
Building V, Room 106**

For more information or to participate contact Clarence Hogan at (773) 487-3731 or chogan@hullhouse.org
Registration deadline is Thursday, September 29, 2011 use class code: KL 1011 to register.
