PowerPlay®

The 5LINX PowerPlay is the ultimate accessory for all your Bluetooth enabled devices and the 5LINX Velocity™ V2 Tablet. A powerful and portable device that combines it all including HiFi speaker for streaming music, plus convenient hands-free calling and it will even recharge all your gadgets.

Satellite TV

Two of the largest satellite carriers in the U.S. (DISH Network and DIRECTV) have partnered with 5LINX to offer an affordable solution to the cable monopolies. Millions have switched to satellite because it offers more HD channels and 100% digital quality. Best of all, it is less expensive than traditional cable service.

Identity Theft Protection

5LINX ID Guard will help make sure you have the means and resources to protect yourself against identity theft. In the unfortunate circumstance of being a victim of identity fraud, 5LINX ID Guard equips you with the best insurance and legal plans possible to aid in the reclaiming of your identity. It also provides identity monitoring, identity score, identity restoration services, identity theft insurance and more.

5LINX Velocity™ V2

Perfect for work and play, this easy-to-use tablet lets you access the web, e-mail, social networking sites and much more. Stream your favorite music, movies and TV shows in full HD 1080p quality. It features dual front and rear facing cameras, built-in Wi-Fi, 8GB internal storage and a vibrant 8" touch-screen display. It comes pre-loaded with the GLOBALINX® Mobile Video (GMV) App so users can make and receive voice and video calls whenever a Wi-Fi network is available. Always be prepared to grow your business with a 5LINX Velocity tablet in your hand.

Text Marketing

Imagine being able to reach your customers by text anytime you want at the touch of a button. Mobile marketing is a powerful way to increase sales for your business, and TextAlertz makes using this technology easy, accessible—and fun. Broadcast special offers or announcements right to your customer's mobile phone on demand whenever you want. While 90% of commercial emails are never even opened, a full 97% of text messages are read.

TextAlertz empowers you to communicate with impact like never before.

Security Systems

Protect your home, family and small business against the threat of break-in, burglary or forced entry with a 5LINX security system, provided by Protect America. With this service you get proven state-of-the-art GE wireless sensors and easy installation that requires no drilling or hard-wiring. With 5LINX Security Systems, you get one-button notification for Police, Fire and Medical Emergencies, plus a Panic Button feature should you ever feel threatened.

Don't go another day without the peace of mind a security system provides.

Healthcare

5LINX enhancedcareMD offers a comprehensive healthcare solution that provides members and their families unlimited access to care and substantial savings. Speak to a nurse or doctor anytime anywhere and when you need them the most. This is not health insurance. It is a health care plan that saves you time and money whether you are insured, uninsured or underinsured by reducing unnecessary co-pays and doctor/ER visits.

High Speed Internet

5LINX High Speed Internet helps you choose quality broadband services provided by one of our premier partners: Earthlink, Comcast, Qwest, Adelphia, Bellsouth, SBC, and many more. Monthly costs will vary.
