R.A.G.E. (The Resident Association of Greater Englewood) presents a solution-based roundtable discussion on the issues that matter in the Greater Englewood community. If you have a solid plan for change, or would like to come support the work of active members in the community, we welcome you.

As R.A.G.E. members, it is our duty and privilege to advocate for resident empowerment and education and provide an open forum—perhaps the only one available to the people of the Greater Englewood Community—to address the burning issues we face.
